

IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF CALIFORNIA

TRACI RIBEIRO, on behalf of herself and  
all others similarly situated,

Plaintiff,

v.

SEDGWICK, LLP,

Defendant.

No. C 16-04507 WHA

**ORDER RE SEALING MOTIONS**

Defendant seeks to file under seal materials submitted in connection with its motion to compel arbitration (Dkt. Nos. 10, 19). Plaintiff also sought to file similar materials under seal, but untimely withdrew her motion. The materials sought to be sealed generally pertain to the details of defendant's partnership agreement, which defendant requires its partners to keep confidential. The sealing motions are **DENIED** as to the text of the two versions of the arbitration provision and any discussion thereof, which are central to the instant motion to compel arbitration and for which no good cause warrants sealing. The motions are otherwise **GRANTED**.

This is without prejudice to whether the same materials could be filed under seal at a later proceeding.

**IT IS SO ORDERED.**

Dated: November 7, 2016.

  
WILLIAM ALSUP  
UNITED STATES DISTRICT JUDGE
